dear glen-i must tell you how pleased i have been with all of your personnel and i mean ALL- from the top down through management, to the laborers. and gabriel is terrific-good supervisor, unfailingly polite and a wonderful crew leader. you have quite a few people you should be very proud of . selecting colonial to do park west's reroof is the best decision this association has ever made. and to think it all started with todd and cliff on the roof many, many months ago! many thanks to you and all who have made this a great experience. i probably won't be alive for the next reroof but if i am colonial will be # 1 : now and always. kind regards..... jane stephen, treasurer -park west board of directors. Carry on !!
