Colonial Roofing
420 N.E. 3rd Avenue
Cape Coral, Florida 33909

On January 10, 2003 your company replaced our roof with Owens Corning shingles.

We would like you to know that our house came through the four hurricanes this year without one shingle out of place. We appreciate your good workmanship. The majority of our neighbors are having roofs replaced as I write.

Thanks very much .

Sincerely,

A handwritten signature in cursive script that reads "Joyce D. Mott".
