

TRAWLER VILLAGE CONDOMINIUM ASSOCIATION, INC.

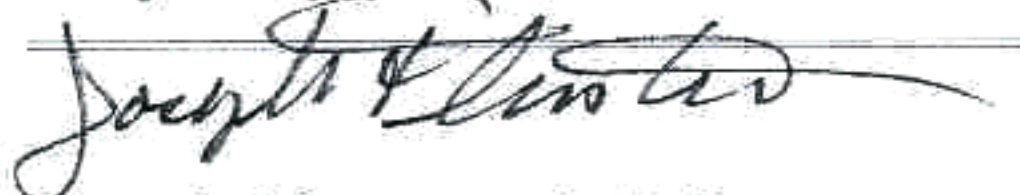

February 22, 2006

To whom it may concern:

As President of the Board of Directors of the Trawler Village Condominium Association, in Fort Myers, Florida for over ten years, I highly recommend the Colonial Roofing Company of this city, for all roofing needs.

This firm capably handled all our tile roof repairs, for many years until they were awarded a contract, after competitive bidding, to install a new Gerard Metal Roofing System on all seven buildings of this association at a cost exceeding \$350,000. This project was completed ahead of schedule, in a thorough and professional manner, with very little inconvenience to our residents. When the job was completed, it was immediately certified and guaranteed by the product manufacturer. The Board and residents of this association are well pleased, with the results.

Very truly yours,

A handwritten signature in cursive script, appearing to read "Joseph Fluster", written over a horizontal line.

Joseph Fluster, CAM
President and Manager of the Association
