To Whom It May Concern:

We have been doing re-roofing and repair business with Colonial Roofing for a number of years and are extremely satisfied with their service and workmanship. They have installed Gerard Stone Coated Steel on over 20 of our buildings in World Plaza in the past 5 years. We look forward to having Colonial Roofing install the remaining roofs to be done when the association is ready. We have found Colonial's service and quality to exceed those of other service contractors. Please contact me directly with any questions.

Sincerely,

Bob Ferrotto, President
